Please use the driving directions as described in the map below. GPS and Google maps get some errors

From Cordova : on 12km from road A-431, When you reach Villarrubia ,whatch out the pannel and turn right immediately after the first traffic light. Get on the service road and turn right just after the Citroën dealer, and before the paint warehouse and the petrol station,where you will see another pannel from Cuevas del Pino. Then strait on 2 km. on a little road till the end of it, at last on the left you get the green gate, Welcome to Cuevas del Pino.

From the west (i.e. from Seville) : on road A-431 Check out the service station on your left and try to reach it by doing a U-TURN on the last traffic light, get on the service road and turn right just after the Citroën dealer, and before the paint warehouse and the petrol station,where you will see another pannel from Cuevas del Pino. Then strait on 2 km. on a little road till the end of it, at last on the left you get the green gate, Welcome to Cuevas del Pino
